

## ADA MAY WARNER SCHOLARSHIP

Mrs. Ada May Warner was a teacher for twenty-five years in the Rowland Unified School District. She taught at many schools in the district, and watched it grow from 90 children to the great numbers that we have today. She was also instrumental in the formation of the Educational Media Center. In 1965, after Mrs. Warner had retired, the Rowland Council PTA set up a scholarship fund in her name honoring her years of dedicated service to the youth of Rowland Unified School District.

Community members, living or deceased are given Ada May Warner Service Awards recognizing them for their contributions to the welfare of youth. The scholarship fund is maintained through monies received in honor of these persons, as well as through donations. These funds make available needed financial aid to enable qualified graduating seniors attending all high schools in the Rowland District to continue on to higher education.
