

## *2018 Leo H. Agredano Jr. Memorial Scholarship*

The **Leo H. Agredano Jr. Memorial Scholarship** has been established to recognize a graduating senior from John A. Rowland High School who will be attending a technical school, trade school, or junior college. Leo H. Agredano was a graduate of the Class of 1987; in 2003 we lost him tragically in a fatal car accident and wish to honor his legacy through this scholarship. Leo was an outgoing, spirited student who had his academic challenges along the way. While serving his country in the United States Army, Leo developed a culinary career and then sought out a construction and technical career in his civilian life. We highly value technical and trade careers and hope that through this scholarship we can assist someone who like Leo, flourished in these environments. For the 2018 graduating class, we are offering up to TWO \$500.00 scholarships.

**Requirements:** Graduating Senior of John A. Rowland High School.

**Required GPA:** We are seeking a Senior with a 2.0 – 3.0 GPA. We understand that not everyone is a straight A student and that is ok! Often our greatest lessons come from our struggles. We also know that there are many critical technical and vocational trades in our society that need great students to enter their career path.
